DCLD Circular « 3 » 2016
CERTIFICATION OF LOW EMITTING MATERIALS (PAINTS, COATINGS, ADHESIVES,
AND SEALANTS) FOR COMPLIANCE WITH DUBAI GREEN BUILDING REGULATIONS
AND SPECIFICATIONS (GBRS)

To All Manufacturers, Suppliers and Users of Low Emitting Materials (Paints Coatings, Adhesives, and Sealants):

With reference to Dubai Green Building Regulations and Specification, please be informed of the following:

1. All manufacturers of paints, coatings, adhesives and sealants, are required to apply for certification under DCL Factory Assessment Certification System and obtain a Certificate of Product Conformity for the mentioned products that are intended to be used in Dubai.
2. From the date of this Circular up to 31 December 2016, the manufacturers and the authorized dealers of the mentioned products may continue to apply for a Type 1b certification for a particular batch of product provided the quantity and identification of the batch is clearly and categorically defined.
3. After 31 December 2016, only products certified under Factory Assessment shall be allowed.

In order to avoid disruption in the various construction projects, we strongly advise you to take all necessary actions to complete the certification process before the deadline.

Thank you for your cooperation.
