DCLD Circular  
SUPPLYING REGULATED PRODUCTS TO  
CUSTOMERS OUTSIDE DUBAI EMIRATE

To Manufacturers and Suppliers of DM Regulated Products:

DCL is aware that some manufacturers of DM regulated products are producing both certified and uncertified products in their factories. DCL has no objection to this, provided only certified products are sold and used within Dubai Emirate.

It is noted, however, that some of the un-certified products are being brought back to Dubai by some trading companies and being used in construction projects within Dubai Emirate.

In order to protect yourselves from getting penalized for the uncertified products found in Dubai, you are hereby instructed to always include a Remarks in the delivery documents for uncertified products stating that "THESE PRODUCTS ARE NOT ALLOWED TO BE USED IN DUBAI".

Please contact us by email at [certification@dm.gov.ae](mailto:certification@dm.gov.ae) for any clarification.

Thank you for your cooperation.
