**DCLD CIRCULAR (PCAS)
USE OF DCL CONFORMITY MARK ON SOLAR COLLECTORS**

To All Manufacturers and Local Suppliers of Solar Water Heating Systems:

In order to effectively implement the requirements of DM Circular (183) 2011 regarding the use of solar water heating systems in buildings in the Emirate of Dubai, the DCL certification system requires that DCL-certified solar collectors shall bear the DCL Conformity Mark as part of product marking requirements.

Accordingly, certified manufacturers and registered local suppliers are hereby required to ensure that all DCL-certified solar collectors sold and used within the Emirate of Dubai shall bear the DCL Conformity Mark.

Violations may result in suspension of certification of the manufacturers and suspension of the registration of local suppliers.

For any clarification, please contact DCL through certification@dm.gov.ae.

Thank you for your cooperation.
