DCL organizes 4th Medical Day

Dubai Central Laboratory Department in collaboration with the Public Health Services Department of Dubai Municipality organized for the fourth time the Medical Day for the Municipality staff under the slogan "Your Health is Important to us", which was held in the lobby of the DCL.

Eng. Hawa Abdulla Bastaki, Director of Dubai Central Laboratory Department opened the activities of the fourth Medical Day in the presence of heads of organizational units where she was briefed on the medical services provided to the DCL staff.

During the Medical Day the DCL staff took the advantage to conduct tests such as checking blood pressure, blood sugar and dental check ups for the reassurance to their health, as well as the availability of the service of medical consultations such as gynaecology, internal diseases and skin care.
