1. Overview

1.1 About Dubai Engineering Qualifications System - Individual services

Within the framework of the responsibilities of the consultants and contractors' qualification section towards individuals and establishments working in the construction sector, the **Dubai Engineering Qualifications system** provides many services to technical staff, consultancy offices, contracting corporates, and manufacturers & suppliers of building materials operating in the emirate to improve the level of engineering works, and ensure the highest quality of projects. You can learn how to sign in to the account and know how to perform Individual services and the functions of the Dashboard for your personal account.

2. Signing in to Your Account

You can sign in to your account either through the Dubai ID account, or through your account that you created in the system using OTP message.

2.1 Sign in using UAE PASS

If you have an account registered with UAE PASS, you can use it to enter the Dubai Engineering Qualification System. This happens in the following cases:

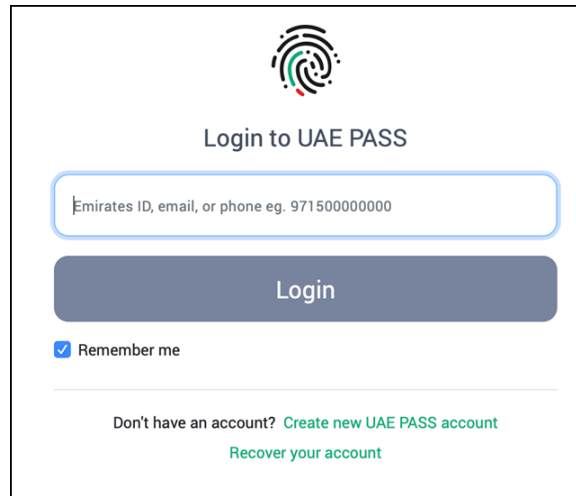

1. **You do not have an account** in the Dubai Engineering Qualification System, and there are no similar data between you and any of the system users. In this case, the system will fill in all your data via the link with UAE PASS system and create an account for you in the Dubai Engineering Qualification System.
2. **You already have an account** in the Dubai Engineering Qualification system, but you tried to sign in using the UAE PASS, one of these two situations will happen:
 - If the UAE PASS data matches your data in the DEQ system, the system signs you into the Home page.
 - If some of the UAE PASS data are similar to the data of an existing DEQ system user, the system opens the "Create an Account" pages to modify these identical data, and then signs you into the Home page.

To sign to your account with your UAE PASS, perform the following steps:

1. After opening the system Home page, in the **Sign In** section by selecting UAE PASS.

2. Enter the **Email, Mobile Number or the Emirati ID** used with the UAE PASS and click the **Sign In** button.

3. Dashboard for Dubai Engineering Qualification System

Users

Through this chapter, you will learn about the Dashboard, which displays everything related to individual services. Use it to view your data that you entered during the creation of the account, or by linking with other entities (UAE PASS, MOE, General Directorate of Residency and Foreigners Affairs (DNRD), Society of Engineers (SOE). The sections displayed on the left side of the Dashboard vary depending on the transactions you have performed. For example, if you apply for requests, **My Requests** section will display with the request details.

If you have a specific accreditation, **My Accreditations** section displays with some of its details.

The screenshot shows the user dashboard with the following sections:

- Top Navigation:** DASHBOARD, MY REQUESTS, MY ACCREDITATIONS, MY EXAMS, PROFILE, SIGN OUT, عربي.
- Home > Dashboard**
- My Requests:** A table with columns: Request Type, Submitted On, Status, Amount. It shows one request: "Accredit Technical Staff Surveying Engineering Services-" submitted on 2019-12-08, status "Completed", amount 400 AED, with a "Cancel" button.
- My Accreditations (8):**
 - Water Pipelines And Stations Contracting: Accredited on 2019-08-15, No Grade.
 - Projects Management Engineering And Technical Feasibility Studies Services: Accredited on 2019-08-06, G+4.
- My Exams (20):**
 - Sand Compacting And Controlling Works: Scheduled on 2019-08-05, No Grade.
 - Green Buildings Engineering Services: Scheduled on 2019-08-05, No Grade.
- Right Sidebar:**
 - Welcome Back

3.5 Profile

Through the **Profile** section, you can view the details you entered when creating your account for the first time. You can also edit your details or change your password.

The Profile section is divided into four tabs: (Personal Details, ID Documents, Education, and Experience):

Personal Details tab contains the data you entered the first time when you created the account.

The screenshot shows the 'Engineer Profile' page. At the top, there is a navigation bar with links: DASHBOARD, MY REQUESTS, MY ACCREDITATIONS, MY EXAMS, and PROFILE (highlighted with a red box). Below the navigation bar, the page title is 'Engineer Profile'. Underneath, there are four tabs: Personal Details (selected), ID Documents, Education, and Experience. The 'Personal Details' tab displays a profile picture on the left and a list of fields on the right. The fields and their values are: Engineer No (45), Engineer ID (redacted), First Name (redacted), Last Name (redacted), Email (redacted) with a '[Change]' link, Mobile No. (redacted) with a '[Change]' link, Gender (Female), Date of Birth (1987-03-16), Nationality (Ecuador), and Notification Language (English). At the bottom left of the profile section, there are two buttons: 'Edit Profile' and 'Change Password'.

ID Documents: The details that you entered during the creation of the account, and it varies according to the nationality you entered. The ID Documents may include Emirates ID, Passport Number and Residency File Number.

The screenshot shows the 'Engineer Profile' page with the 'ID Documents' tab selected. The page contains four input fields with placeholder images: 'Society of Engineers Membership', 'Emirates ID No.', 'Passport No.', and 'Residence File No.'.

You can also, through the **ID Documents** tab modify the user type from **non-resident** to **resident**. And that is by clicking the **Edit** button at the Emirates ID data section and the residence file to be able to enter **ID Number** and **Residence File No.** where the system will automatically verify the data by linking with GDRFA.

This screenshot shows the 'ID Documents' tab with a modal window open for editing. The modal has fields for 'Emirates ID No.' and 'Residence File No.' with 'Cancel' and 'Save' buttons. A red arrow points from the 'Edit' button in the background to the modal. In the background, a 'MISSING' warning is visible for the 'Society of Engineers Membership' field, and the 'Emirates ID No.' field is marked as 'N/A'.

Education: Displays the obtained educational qualifications. They are added from this tab after creating the account by clicking the **Add New Education Record** link. You can also edit or delete the record if it has not been verified via automatic linking with SOE if you are a member, or when taking any exam submitted through Dubai Municipality.
