

لجنة قيد وترخيص مزاوله مهنة الاستشارات الهندسية والمقاولين

The Committee of Registration and Licensing the Practice of Engineering Consultancy & Contracting

Educational Qualifications and Experience required from the Technical Staff of Contracting Activities

#	Code	Activity	Educational Qualification	Experience
1	452001	Building Contracting	(Numbers) of Eng. - Bachelor of Civil Engineering	By Category
2	451001	Wrecking & Demolition Works	(Numbers) of Eng. - Bachelor of Civil Engineering	By Category
3	452008	Steel Constructions Contracting	(Numbers) of Eng. - Bachelor of Civil Engineering	By Category
4	454007	Building Maintenance	Bachelor of Civil / Architecture Engineering or Civil /Architectural Technical Diploma	2-year Bachelor 5-year Diploma
5	100051	Decoration Design & Implementation	Bachelor of Civil Engineering / Architecture / Interior or Civil Architectural Technical Diploma	1-year Bachelor 3-year Diploma
6	454009	Interior Decoration		
7	454013	Landscaping Works		
8	453004	Exhibition Stand Fitting & Execution		
9	454008	Scaffolding Contracting	Bachelor of Civil / Architecture Engineering	5 years
10	451005	Piling & Foundation Contracting	Bachelor of Civil Engineering	5 years
11	452006	Pre-Fabricated Concrete Houses Contracting	Bachelor of Civil / Architecture Engineering	3 years
12	453015	Pre-stressed Concrete Contracting	Bachelor of Civil / Architecture Engineering	3 years
13	451002	Land Draining Works	Bachelor of Civil / Arch. Eng. or Civil Tech. Diploma	2-year Bachelor 5-year Diploma
14	451003	Land Digging, Filling & Leveling Works	Bachelor of Civil / Arch. Eng. or Civil Tech. Diploma	
15	451004	Sand Compacting & Controlling Works	Bachelor of Civil / Arch. Eng. or Civil Tech. Diploma	
16	451006	Coastal Reclamation Contracting	Bachelor of Civil Engineering	3 years
17	451007	Canal Dredging Contracting	Bachelor of Civil Engineering	5 years
18	452007	Pre-Fabricated Wooden Houses Contracting	Bachelor of Civil / Architecture Engineering	3 years
19	454001	Concrete Works	Bachelor of Civil / Architecture Engineering	4 years
20	454002	Concrete Restoration	Bachelor of Civil / Architecture Engineering	4 years
21	453014	Electrical Fitting Contracting	Bachelor of Electrical Engineering or Electrical Technician Diploma	2-year Bachelor 5-year Diploma
22	454017	Historical Sites Restoration	Bachelor of Civil / Architecture Engineering	5 years
23	453023	Solar Energy Systems Contracting	Bachelor of Electrical / Electrical & Electronic / Renewable Energy /Mechatronics Engineering	4 years
24	453025	Central Gas Distribution Networks Contracting	Bachelor of Mechanical Engineering	3 years
25	454023	Exterior Building Cladding Contracting	Bachelor of Civil Engineering	3 years
26	452005	Advertising Billboards Contracting	Bachelor of Civil Engineering	3 years
27	4390005	Reinforced carpentry& steel works Contracting in building	Bachelor of Civil / Arch. Eng. or Civil Tech. Diploma	2-year Bachelor 3-year Diploma
28	4100017	3D Printing Building Construction Contracting	Bachelor of Civil Engineering	5 years
29	4330025	Contracting for design & implementation of decoration with 3D printing technology	Bachelor of Civil / Arch. Eng. or Arch/ Civil Tech. Diploma	3-year Bachelor 5 -year Diploma

**Educational Qualifications and Experience required from the Technical Staff of Contracting Activities
(Infrastructure Works Activities)**

#	Code	Activity	Educational Qualification	Experience
1	452009	Road Contracting	Bachelor of Civil Engineering	5 years
2	452010	Sewage & Drainage Contracting	Bachelor of Civil Engineering	5 years
3	452011	Water Pipelines & Stations Contracting	Bachelor of Civil Engineering	5 years
4	452012	Tunnels Contracting	Bachelor of Civil Engineering	10 years
5	452013	Bridges & Dams Contracting	Bachelor of Civil Engineering	10 years
6	452014	Oil & Gas Civil Structural Works Contracting	Bachelor of Civil Engineering	5 years
7	452015	Electric Power Lines Contracting	Bachelor of Electrical Engineering	5 years
8	452016	Wireless Communication Towers Contracting	Bachelor of Civil Engineering	5 years
9	452017	Communication Lines Contracting	Bachelor of Civil Engineering	5 years
10	452018	Ports & Marine Construction Contracting	Bachelor of Civil Engineering	7 years
11	452019	Desalination Plants Contracting	Bachelor of Civil Engineering	7 years
12	452020	Electric Power Station Contracting	Bachelor of Civil Engineering	7 years
13	452025	Railways Contracting	Bachelor of Civil Engineering	5 years
14	452026	District Cooling Plants Contracting	Bachelor of Civil Engineering	7 years
15	452030	Meteorology Projects Contracting	Bachelor of Civil Engineering	5 years
16	4220906	Oil & Gas Mechanical works Contracting	Bachelor of Mechanical Engineering + QA & QC Inspector + Safety Officer (NEBOSH)	5 years
17	4220907	Oil & Gas Electrical Works Contracting	Bachelor of Electrical Engineering + Safety Officer (NEBOSH)	5 years
18	4220908	Oil & Gas Instrumentation & Controls Contracting	Bachelor of (Electronics / Mechatronics / Instrumental Eng.)+ Safety Officer (NEBOSH)	5 years
