

Circular No. (1-2-1) of 2021 AD

On 23/8/2021 AD

Regarding / Converting Residential Buildings into Hotels

M /s. Engineering Consultancy Offices and Construction Contracting Companies

After Greetings,

Engineering consultancy offices shall, when allowing the conversion of residential buildings into hotels, take into account the following:

1. The appropriate exterior shape for a hotel
2. The hotel's vicinity and overlook
3. Available services and services to be provided
4. International specifications and standards for hotels in architectural aspects
5. Activities expected to be available in the hotel
6. The proposed hotel facility must be within the authorized areas (as planned) only
7. Compliance with the requirements of the Department of Tourism and Commercial Marketing

“This is a technical translation, in case of ambiguity Arabic version will prevail “
